EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jay R. Yablon on October 24, 2005.

The application has been amended as follows:

In the Claims:

1) Claim 1, line 7, the word --elastomeric-- has been inserted between the word "of" and the word "paper". Further on line 8, the phrase --and outer ends-- has been inserted between the words "ends" and the word "of".

2) Claim 2, line 2, the word "an", after the word "over", has been replaced with the word --said--.

3) Claim 3, line 2, the word "an", after the word "over", has been replaced with the word --said--.

4) Claim 7, line 5, the phrase --and outer ends-- has been inserted between the words "ends" and the word "of". Further on line 6, the word --elastomeric-- has been inserted between the word "of" and the word "paper".

5) Claim 8, line 3, the word "an", after the word "over", has been replaced with the word --said--.

Art Unit: 3654

5) Claim 9, line 3, the word “an”, after the word “over”, has been replaced with the word --said--.

The following is an examiner’s statement of reasons for allowance:

Claims 1-9 are allowable over the prior art of record because the prior art of record does not teach or suggest the entire combination of elements of the paper roll dispensing system set forth including a pair of elastomeric paper retention caps each comprising a securing lip for securing side ends and outer ends of a paper roll. None of the references of the prior art teach or suggest a pair of elastomeric paper retention caps as advanced above and such does not provide the necessary motivation, absent applicant's specification, for modifying the paper dispensing system in the manner required by the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
